R. R. 2, Box 69
Oak Harbor, Ohio

My dear Mrs. Neumann:

The picture of the Lincoln statue which you forwarded to the Company with your last letter has been sent to this Department.

We are very glad indeed to have a picture of the monument and we are wondering if you would tell us just where it is located, just how tall the figure of Abraham Lincoln is; also any other information that might advise us where Mr. Neumann secured his design.

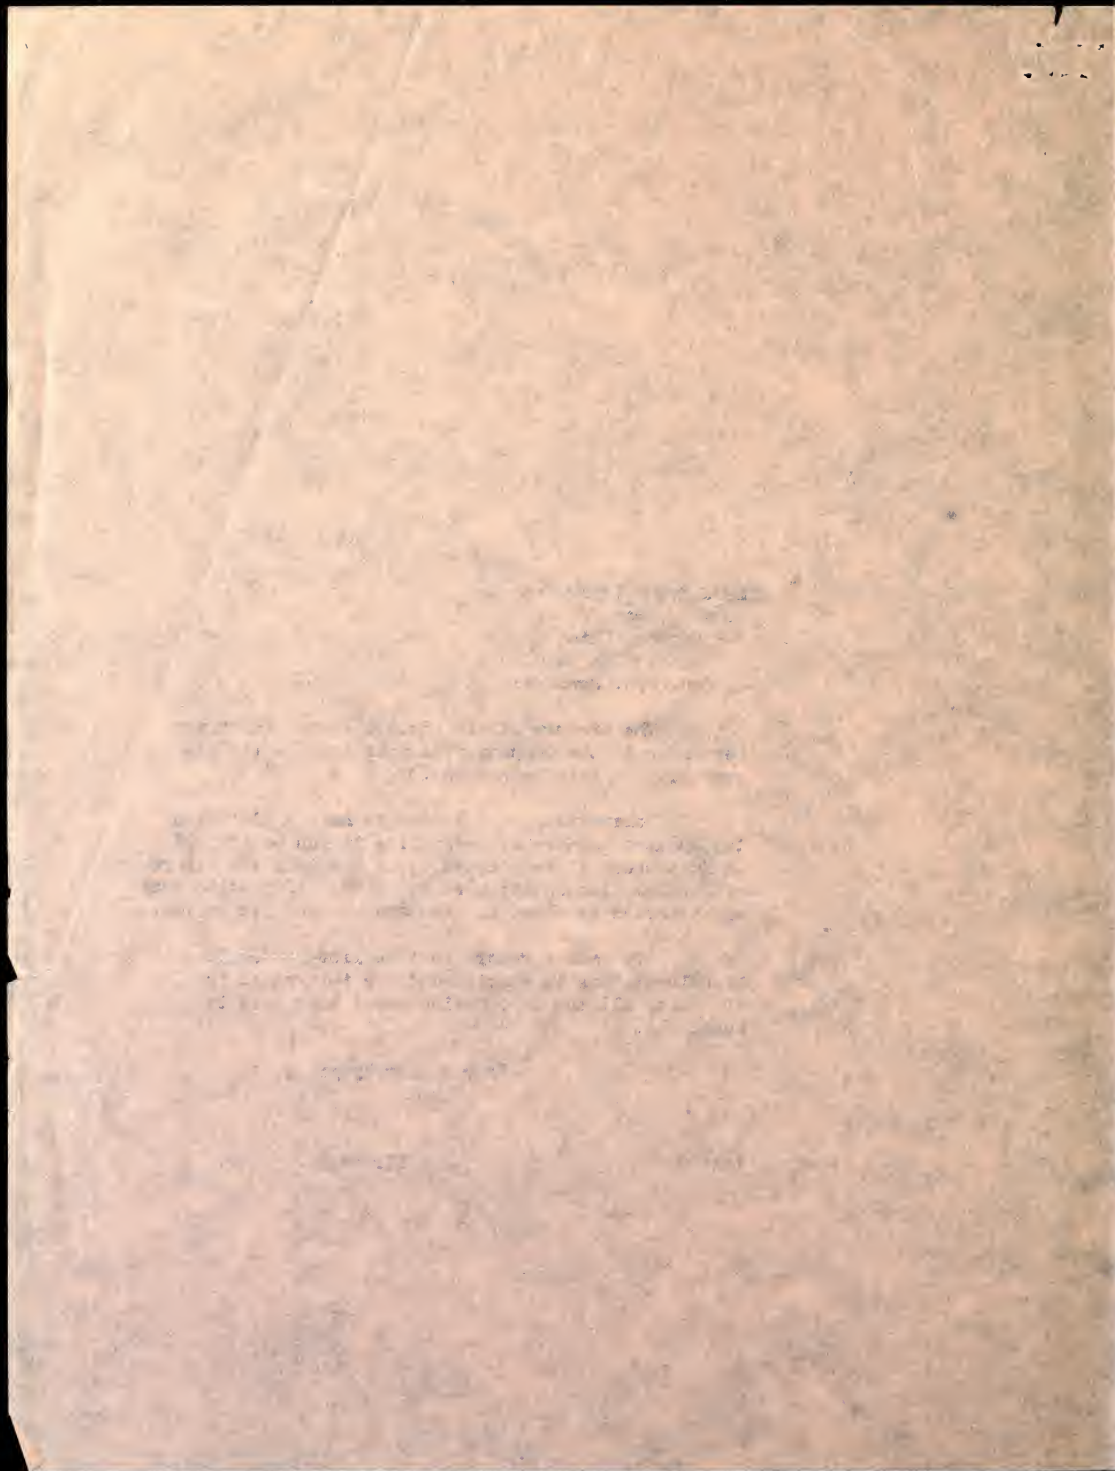

We make a record in this library of all Lincoln statues in America and are interested in obtaining all the information about them that is available.

Very sincerely yours,

LAW:LH
